

EHA: Report annuale delle attività

La European Headache Alliance ha pubblicato il report annuale 2012/2013 dell'attività svolta dall'associazione e da tutte le singole organizzazioni affiliate in diversi paesi europei: Serbia, Olanda, Svizzera & Lussemburgo, Spagna, Gran Bretagna, Finlandia, Irlanda, Germania, Svezia, Francia e Italia. Per quanto riguarda l'Italia, è stata inserita Alleanza Cefalgici, con la citazione, tra le altre, delle seguenti iniziative:

- Publication of the 2012 and 2013 headache calendar
- Education days: Itinerating formation course for headache patients
- Poster for the Global Year Against Headache Campaign
- Poster prepared by Al.Ce. Cluster and disseminated for the celebration of the Global Year Against Headache Campaign
- Presentation and diffusion of the Vademecum for the patient with chronic headache
- Online petition to the Italian Medicine Agency for the recognition of the indication of oxygen inhalation for cluster headache
- ClusterBuster Event: Al.Ce. Cluster participated in the ClusterBuster event in Las Vegas with the presentation of the artistic movie 'The Pain of Cluster Headache' and with the donation of 2 paintings from the ARTé Cluster collection in favour of the research on Cluster Headache. Las Vegas, September 2012
- A week for information on headache, Pozzilli, September 2012
- Headache in paediatric age, Ferrara October 2012: Meeting for doctors and patients
- Screening day for headache, Aosta November 2012: Experts in headache met general population in several squares of Aosta city
