To all delegates of EHA

Thema: cluster headache conference at Kiel

Dear colleagues,

as I told you during EHA-GA in London earlier this year we are going to arrange an international conference of Doctors and patients with their relatives

- To describe the appropriate treatments of clusterheadache
 - In traditional therapy
 - In newer stimulation-therapy
- To find out the differences all around Europe

For that I have two items to ask your help:

- Please fill out the appended questionnaire regarding to your country and return it to me (info@clusterkopf.de).
- Please give this invitation to all your known cluster headache sufferers in your country to participate at the conference taking place at September 4th to 5th at Kiel/Germany

Please find added the preliminary agenda. The final one will be published on our website www.clusterkopf.de.

If you have any questions don't hesitate to get in contact to me.

Very kind regard to you all
