Welcome Words from the Presidents

We are very pleased to welcome you to Pavia, the University of the Nobel Prize Camillo Golgi. This year we have the privilege to host eminent scientists who devote their research and clinical skills to the gender impact on brain in man and in occasion of the XX Edition of The Ottorino Rossi Award. This International Workshop will be a unique opportunity not only to exchange ideas and findings in the field of neurosciences, but it will also provide a launch platform for new research and strategies in gender pharmacology. The emerging ideas and findings in the field of neurosciences, but it will also provide a launch of the XX Edition of The Ottorino Rossi Award.

Camillo Golgi. This year we have the privilege to host eminent scientists who devote their research and clinical skills to the gender impact on brain and mind in occasion of the XX Edition of The Ottorino Rossi Award.

We hope you can join us in Pavia next spring.
